TRANSMITTAL OF INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents
United States Patent and Trademark Office
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

The above-referenced patent application is a divisional of U.S. Patent Serial No. 10/276,670, which has not yet issued as a patent.

Enclosed herein is a Form PTO-1449, listing those references cited during the prosecution of the parent application and including an additional document found in the prosecution of the application in the Japanese Patent Office. Copies of the other references can be found in the parent application file, and need not be provided herein. Applicants will, however, provide the subsequent submission and other such copies as per the Examiner's request.

The Information Disclosure Statement submitted herewith is being filed within three months of the filing of a national application other than a continued prosecution application under CFR 1.53(d); within three months of the date of entry of the national stage as set forth in 37 CFR 1.491 in an international application; before the mailing of a first Office Action on the merits, or before the first Office Action after the filing of a request for continued examination under 37 CFR 1.114.

AUTHORIZATION

As this Information Disclosure Statement is filed before a first Office Action has issued for this application, no fee is believed due.

Respectfully submitted,

Greenberg Traurig, LLP

Date: August 2, 2004
